Thanks. I'll drop the language for you. I won't process the TDD until I have the SSID.

---

Althea put in the SSID request but haven't seen anything so far.

Here is what I had in TDD (will mod more later):

Assist State and Local Responders with Air and Water Monitoring as approved by Task Monitor. Provide other technical assistance as may be required as approved by Task Monitor. Tier 2 Response.  
No NRC report number at this time. The event was reported internally from news report. COCs reported by ODEQ (Tier 2 report) include: Carbon Disulfide, Methanol, Zylene, Ethylene Glycol, Naptha, Ethylene Glycol Monobutyl Ether. Provide excel table for monitoring results. Provide excel table listing START personnel, hours and summary of activities performed. Coordinate with Response OSC Enders at 214.789.9654

I have bachman but only the specifics elements are showing. Did you write anything in the Description of Work? Also, did you put in for the SSID? Thanks.

**Subject:**

I have added your name as WAM, replacing Robert Bernier, to this document.

BTW, you also have a new TDD that's incomplete. I filled in the Site Id with XXXXXX so that it would fall here expected in the views. (It's Bachman services)
